MONSIEUR RESTAURANT

Monsieur is this dining room worthy of a large private residence. Delicate Art Deco touches, mustard benches, large bay windows letting in the light, the restaurant is between the grandiose and the intimate.

Organize your receptions in a chic and modern atmosphere with a lovely view of the illuminated outdoor patio in the evening.

“LA FOLIE”

THE PATIO

A veritable haven of greenery, with its fountain and its climbers, people meet there throughout the day and at nightfall, under the stars and in the soft light of the hanging lanterns.

The patio can be privatized. With no privatization, it can accommodate a group of 10 guests maximum.

THE MARLENE BAR

Witnesses to the original Art-Deco atmosphere, the half-moon bar and the majestic glass roof adorning the ceiling, unite with the velvety 18th century style sofas. The gray tones, bluish shades and orange touches make up a soft palette that invites you to daydream.

The Bar can only be privatized at certain times of the year.

GASTRONOMY

Chef Sébastien Giroud and his team offer elegant and seasonal cuisine while working exclusively with artisans and producers from our French regions.

Drawing on his experience in the region and in exceptional restaurants such as Bernard Loiseau, Sébastien Giroud offers regional cuisine without departing from modernity. The Chef highlights the product at the center of the plate and places technique at the service of taste. Our sommeliers pair your dishes with wines from the cellar full of treasures.
